About Our Snap! Raise Digital Fundraiser:

The process is simple, we will raise money by telling our story over email, text, and social media. But in order to do this, we need your help!

- Help your student create their profile (by scanning the QR code on the sheet)
- Help them identify at least 20 people to share their campaign page with.
- The list of 20 people should include many of your student's biggest fans
- Emails need to be entered into the Snap! Raise platform no later than **Tuesday June 28th** to ensure our campaign is a success.
- Most money raised via Snap Raise gets choice from the Spiritwear catalog!

Thank you for the continued support of Knights Volleyball!
